environment test**

THE NEW HEALTH, SAFETY AND ENVIRONMENT TEST

Change is coming. Are you ready?

On 2 April 2012, the CITB-ConstructionSkills Health & Safety Test becomes the CITB-ConstructionSkills Health, safety and environment test. Content has been fully refreshed and includes questions on new topics such as behavioural safety, respiratory risks and the environment. The test continues to be a vital tool in helping the industry to improve its health, safety and environmental standards.
