FUNDING

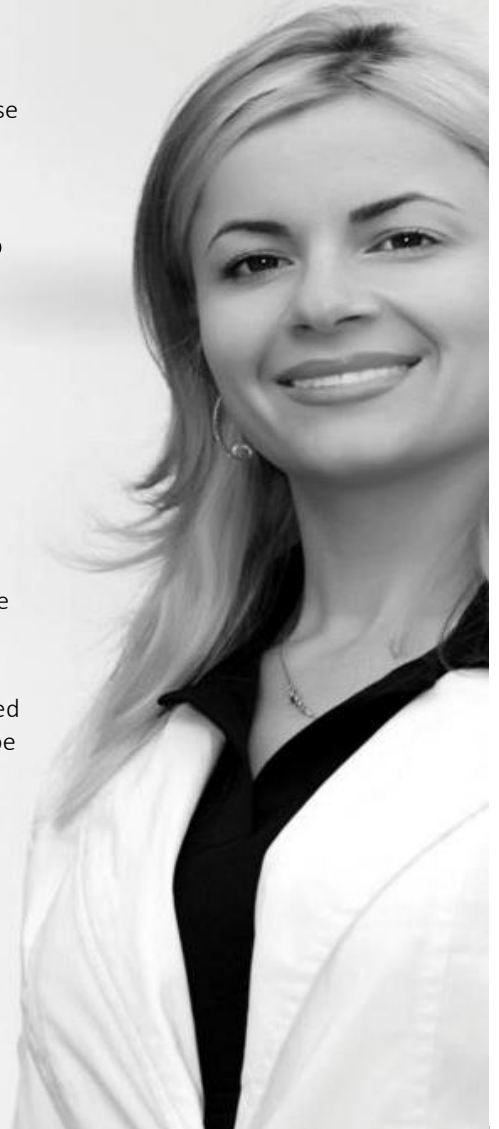

If you pay £3m or more in PAYE, you will fund the apprenticeship through the Apprenticeship Levy. If you do not pay the Apprenticeship Levy, this will be funded by the Education and Skills Funding Agency. Less than 49 employees, 16-18 will be fully funded, 19+ or more than 50 employees, the employer will contribute 5%.

Currently there are employer incentives for recruiting an apprentice. For apprentices aged 16-24 the payment will be £2,000 and for apprentices aged 25 or over the payment will be £1,500. (this maybe subject to change)

CITB Grants – please talk to your CITB contact for eligible grants for apprenticeships
