

Armstrong Priestley
THE FIRE PROTECTION SPECIALISTS

Retail

Company Profile

The UK's leading independent fire protection contractor.

Founded in 1976, we have almost 50 years experience delivering fire sprinkler projects across the UK. Dedicated to protecting life and property from the effects of fire. Our first-class reputation and quality standards demonstrate our commitment to our business and our clients.

Our quality systems are certificated and approved to ISO 9001 and LPS 1048 level 4 accreditation for the design, installation, and certification of fire sprinkler systems.

We have experience in all sectors, including industrial, commercial, education, retail and residential. Providing 3rd party certification for fire sprinkler installations.

With long standing clients within the retail industry, we are able to deliver fast paced projects as part of roll out programmes throughout the UK, for some of the biggest high street and designer brands.

We operate our own in-house fabrication facility based in our Leeds head office, carrying extensive stocks of materials and products ensuring that we support our client requirements in a cost effective and efficient manner. Our in-house fabrication team deliver using our own transport vehicles to all parts of the UK to ensure on-site requirements and programs are met.

Our service and maintenance department operates 24/7 call outs to all service contracted clients throughout the UK.

The dedicated team of engineers are on hand to ensure our clients systems remain operational and maintained to the correct standards.

For further information on a bespoke service packages and support please contact our service team on serviceadmin@armstrongpriestley.com
